Re: Change of Control of IPC Network Services, Inc. – Docket No. 2006-55-C

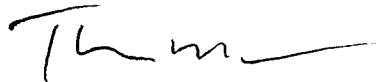

Dear Sir or Madam:

Please be advised that IPC Network Services, Inc. ("IPC") underwent a change of control on September 29, 2006, when the ownership of its ultimate parent, IPC Acquisition Corp., changed by more than 50%. The new 100% owner of IPC is now Silver Lake Partners II, L.P. ("Silver Lake"), a large private equity firm focused exclusively on large-scale investing in technology and related growth industries. The ownership of Silver Lake is widely distributed and no entity holds more than a 10% equity interest.

Please note that the management of IPC remains largely the same, however, IPC's Board of Directors changed. The new sole director is now Lance Boxer. Please note that the transaction was transparent to IPC's customers and the branding of IPC's services, its invoices and its rates have not changed.

If you have any questions, please contact me at (410) 349-4990.

Sincerely,

Thomas M. Lynch
Attorney for IPC
